

Date:

Wednesday Challenge Form

Group Members: everyone labeled 2 by Dr. Neat

Problem Statement: everyone must have their left hand behind their back
And pass a tube from one person to the next by tossing it, if you drop the tube you have to
Restart from the beginning. The first team to successfully execute all three different tosses
First wins.

Approach: go for the obvious solution and simply look to the person that
Is passing the tube.

Solution:

Lessons Learned:
